

COLOURS

The range of architectural dressings are available in the following standard colour options, which have been carefully chosen to blend harmoniously with natural stone shades.

Bathstone

Portland

Red Sandstone

Minsterstone

Yorkstone

PD Edenhall have the experience and facilities to manufacture a vast array of special and bespoke colours to suit the local environment and to meet the particular requirements of the client.

Colour swatches are as accurate as modern printing processes will allow. You are advised to see specific samples before ordering.
